Dear Dr. Frasheri:

I write to you regarding to manuscript # nsg-2004-0003 entitled "Dipole-dipole array configuration in the framework of the reciprocity principle" which you submitted to Near Surface Geophysics.

In view of the comments of the Associate Editor found as attachment with this letter, we regret to tell you that your manuscript has not been accepted for publication in Near Surface Geophysics.

Thank you for considering Near Surface Geophysics for the publication of your research. I hope the outcome of this specific submission will not discourage you from the submission of future manuscripts.

Sincerely,  
Prof. Ugur Yaramanci
